24 **KNOLL AND ITS RIGHTS IN THE BARCELONA COLLECTION**

26 rights, title and interest in and to the design of the Barcelona Chair, the Barcelona Stool, the

28 as the "Barcelona Collection") to predecessors of Knoll as to the rights herein involved.

1 25. Knoll and its predecessors in interest as to the rights herein involved have been
2 continuously manufacturing, displaying, promoting and selling the Barcelona Collection since at
3 least as early as January 1, 1954.

4 26. The various furniture items in the Barcelona Collection have been the subjects of
5 third party commentary in numerous books, newspaper articles and magazine articles, virtually all
6 of which identify Knoll or its predecessors in interest as to the rights herein involved as the source
7 of these items.

8 27. The various furniture items in the Barcelona Collection are in the collections of
9 numerous museums featuring design around the world, and have been featured in a number of
10 museum exhibitions.

11 28. The Barcelona Collection is in the Museum of Modern Art's design collection.
12 Some of these pieces have been there since the 1950s. The Museum of Modern Art, as well as other
13 museums, always identify Mies van der Rohe as the designer of the Barcelona Collection, and Knoll
14 as the source and manufacturer of these items.

15 29. Knoll markets and sells the Barcelona Collection throughout the United States and
16 internationally. In connection with these efforts, Knoll maintains an internet website at
17 <http://www.knoll.com>, which contains information about Knoll's furniture products. Knoll also
18 issues advertising and promotional material relating to the Barcelona Collection, and has done so
19 for many years.

20 30. As a result of all of the foregoing sales, manufacturing and promotional efforts, the
21 Barcelona Chair, the Barcelona Stool, the Barcelona Couch, the Barcelona Table and the Flat Brno
22 Chair have come to be associated with Knoll as their source.

MODERN COLLECTIONS

38. Upon information and belief, ModernCollections is a marketer and retailer of
furniture and related products, much of it embodying "modern design".

27 39. ModernCollections and Louie, through the website at www.moderncollections.com,
28 advertise, promote and offer for sale furniture products in the form of the designs that are the

1 subjects of Knoll's aforementioned trademark registrations. Indeed, on its website,
2 ModernCollections compares the infringing products it sells to those sold by Knoll and admits that
3 its infringing products come from Asia. Printouts of representative pages from ModernCollections'
4 website are attached as Exhibit 8.

5 40. On June 26, 2007, Knoll sent a notice letter to ModernCollections. At the time it
6 sent the June 26, 2007 notice letter, Knoll was unaware that Alphaville was supplying
7 ModernCollections with infringing products. ModernCollections did not respond to that notice
8 letter.

9 41. On July 19, 2007, Knoll's counsel sent a second notice letter to ModernCollections.
10 The July 19, 2007 notice letter included a draft complaint and advised that Knoll would file the
11 complaint if it received no response from MordernCollections. ModernCollections did not respond
12 to that notice letter.

13 42. Despite having received notice of their infringing activities, ModernCollections and
14 Louic have sold and continue to sell products in the form of or derivative of the designs that are the
15 subjects of Knoll's aforementioned trademark registrations in California and throughout the United
16 States.

19 distributes furniture products that are the subjects of Knoll's aforementioned trademark
20 registrations, to customers throughout the United States, including to customers in California.

21 44. Upon information and belief, defendant Alphaville is the supplier to
22 ModernCollections and other retailers across the country of the furniture products that are the
23 subjects of Knoll's aforementioned trademark registrations.

24 45. On August 15, 2007, Knoll sent a notice letter to Alphaville. A copy of this notice
25 letter is attached as Exhibit 1.

46. Defendants have sold and continue to sell products in the form of or derivative of the
47 designs that are the subjects of Knoll's aforementioned trademark registrations in California and
48 throughout the United States.

54. Knoll has no adequate remedy at law and is suffering irreparable harm and damages as a result of the wrongful acts of the Defendants in an amount thus far not determined, but, on information and belief, the Defendants' acts, if continued, will result in damages to be awarded against the Defendants in excess of \$1,000,000.

COUNT II [FALSE DESIGNATION OF ORIGIN]

55. Knoll repeats and realleges each allegation in paragraphs 50-110 as if set forth in full herein.

56. Defendants ModernCollections and Louie, on their website, present their unauthorized copies of the Barcelona Chair, the Barcelona Stool, the Barcelona Couch, the Barcelona Table and the Flat Brno Chair in connection with text describing the context in which

1 Mies van der Rohe created these designs, creating the impression that the products offered for sale
 2 by defendants are authentic.

3 57. Defendants' efforts to misrepresent themselves as a legitimate source of the
 4 Barcelona Chair, the Barcelona Stool, the Barcelona Couch, the Barcelona Table or the Flat Brno
 5 Chair takes control of the reputation and goodwill of the designs for those items away from Knoll,

 16 Defendants in excess of \$1,000,000.

COUNT III [COMMON LAW UNFAIR COMPETITION]

18 61. Knoll repeats each allegation in paragraphs 50-117 as if set forth in full herein.

19 62. As a result of Defendants' improper sale of furniture in the form of the designs that
 20 are the subject of Knoll's trademark registrations, architects, the furniture trade and the purchasing
 21 public are likely to buy Defendants' products in the erroneous belief that they are authorized
 22 reproductions of Knoll's trademarked designs.

23 63. Upon information and belief, Defendants have intentionally misappropriated the
 24 designs that are the subject of Knoll's trademark registrations with the intention of causing
 25 confusion, mistake and deception among consumers and the trade as to the source of the goods and
 26 with the intent to unfairly profit from Knoll's goodwill at Knoll's expense.

27 64. As a result of the foregoing, Defendants' actions constitute unfair competition which
 28 have had and will continue to have a detrimental effect on the general consuming public in violation

1 of the common law of the State of California.

2 65. Knoll has no adequate remedy at law, and is suffering irreparable harm and damages
3 as a result of the wrongful acts of Defendants in an amount thus far not determined, but, on
4 information and belief, defendants' acts, if continued, will result in damages to be awarded against
5 Defendants in excess of \$1,000,000.

6 **COUNT IV [DILUTION]**

12 68. These acts of Defendants are without the permission, license or consent of Knoll and,
13 unless enjoined by this Court, defendants will continue these practices and acts, thereby harming
14 Knoll's business reputation and causing Knoll immediate and irreparable injury.

15 69. Knoll has no adequate remedy at law and is suffering irreparable harm and damages
16 as a result of the wrongful acts of Defendants in an amount thus far not determined, but, on
17 information and belief, defendants' acts, if continued, will result in damages to be awarded against
18 defendants in excess of \$1,000,000.

19 **COUNT V [VIOLATION OF CAL. BUS. & PROF. CODE §17200, ET SEQ.]**

20 70. Knoll repeats each allegation in paragraphs 50-126 as if set forth in full herein.

21 71. Upon information and belief, Defendants have intentionally misappropriated the
22 Knoll's registered trademarks with the intention of causing confusion, mistake and deception among
23 consumers and the trade as to the source of the goods and with the intent to unfairly profit from
24 Knoll's goodwill at Knoll's expense.

25 72. As a result of the foregoing, Defendants' wrongful conduct constitutes intentionally

Re: Trademark Infringement -- Knoll, Inc.

Ladies and Gentlemen:

Knoll, Inc. is the owner of all rights, title and interest in and to certain designs of the well-known architect, Ludwig Mies van der Rohe.

Mies van der Rohe's designs known as the Barcelona Chair, Barcelona Stool, Barcelona Couch, Barcelona Table and Flat Brno Chair are all registered to Knoll, Inc. in the United States Patent and Trademark Office. Copies of Knoll, Inc.'s trademark registrations are enclosed.

The Barcelona Chair, Barcelona Stool, Barcelona Couch, Barcelona Table and Flat Brno Chair have all been featured in numerous museums worldwide, have been offered for sale at retail stores for many years, and have been featured in numerous books and periodicals. As a result, the furniture trade and the public have come to associate these designs with Knoll, Inc., and Knoll, Inc. has recognized trademark rights therein.

Knoll, Inc. is also the owner of the BARCELONA and KNOOLL trademarks, which are both registered in the United States Patent and Trademark Office. The BARCELONA mark has been widely used in connection with the advertising and sale of authorized reproductions of furniture designed by Ludwig Mies van der Rohe, and the furniture trade and the public have consequently come to associate that mark with such authorized reproductions.

Your company is advertising and selling unauthorized copies of the Barcelona Chair, Barcelona Ottoman, Barcelona Couch, Barcelona Table and Flat Brno Chair, as well as unauthorized derivative products such as the Barcelona Pavilion Day Bed and Barcelona Pavilion Bench under the following names: Mies Pavilion Lounge Chair, Mies Lounge Ottoman, Mies Day Bed, Mies Table, Mies Bench, Mies Brno Flat Chair, Mies Lounge Loveseat Mies Petite Day Bed, Mies Lounge Sofa and Pavilion Pony Chair. Your company may also be inappropriately using the BARCELONA mark. Printouts from your company's website are enclosed for your reference.

Your company's advertisement and sale of unauthorized copies and unauthorized derivatives of such products is likely to cause confusion among consumers as to the source of the Barcelona Chair and related products and harm our reputation for exclusivity.

August 15, 2007

Page 2

Specifically, your company's advertising and sale of unauthorized copies and derivatives of the above-mentioned products and use of the BARCELONA mark constitutes infringement of our trademarks, misrepresentations as to source or origin, and dilution and unfair competition, all in violation of the Trademark Law of the United States, 15 U.S.C. § 1051, *et seq.*, and related common law.

Knoll, Inc. has also recorded its trademark registrations for the Barcelona Chair, Barcelona Stool, Barcelona Couch, Barcelona Table and Flat Brno Chair with the U.S. Customs Service. The importation of unauthorized copies of the Barcelona Chair, Barcelona Ottoman (Stool), Barcelona Couch, Barcelona Table and Flat Brno Chair, as well as unauthorized derivative products violates U.S. Customs Laws, and we have been assured by Customs that they will be on the look out for any counterfeit products in the form of these items.

Accordingly, we call upon your company to forthwith cease and desist from any act of trademark infringement and making misleading statements. Specifically, we demand that your company:

- 1) Immediately stop all use, promotion, display, distribution, offering for sale, sale and/or manufacture of any version of the Barcelona Chair, Barcelona Stool, Barcelona Couch, Barcelona Table and Flat Brno Chair; and
- 2) Immediately stop all use of the BARCELONA mark;
- 3) Immediately take steps to recall the infringing products; and
- 4) Forward to us documentation reflecting the manufacture and importation of the infringing items.

Knoll, Inc. views this matter with considerable concern. In view thereof, we expect your assurances, or that of your counsel, by 5:00 p.m. on August 22, 2007, that our demands set forth above will be met. Please be advised that unless we receive such assurances, Knoll, Inc. will take such steps as appropriate to protect its valuable trademark and trade dress rights. This includes, without limitation, notifying U.S. Customs Enforcement of your unauthorized conduct and request that U.S. Customs seize all unauthorized products upon their entry into the country.

This letter constitutes notice of Knoll, Inc.'s trademark rights and is written without waiver of any rights and remedies that Knoll, Inc. may assert to protect its intellectual property.

Very truly yours,

John M. Wilson

"Looking For Useful Information On Mies Pavilion Chairs?"

Discover EXACTLY What Is True Quality When Comparison Shopping.

At ModernCollections.com, our goal is to provide you with as much information possible so you can make an informed decision. We will share with you our knowledge of what's available in the marketplace and the characteristics to look for when shopping for the famous Mies Pavilion Chairs.

So, what makes us different? With hundreds of retailers selling these chairs online ranging from \$500 to \$7000 it's difficult to know what you're *really* getting and what makes one retailer a better buying choice over the other. We have made this process easier by comparing our Mies Pavilion Chair features with a top manufacturer like Knoll.

Read How Our Chairs Compare to the Knoll "Barcelona Chair":

Our Mies Pavilion chair features premium grade 304 bar stock stainless steel for the frame. Single piece construction ensures long-term durability. Frame is shaped, welded and hand buffed to mirror finish.

Our frames are buffed slightly on the edges to remove sharpness (safety).

Knoll does not have seams at two front corners of their seat cushions or top corners of the back cushions. We have recently revised our cushions to be constructed the same way for a more authentic appearance.

Knoll uses thinner padding and has a slight curve to it. The back of the seat cushion is lower giving you a slightly more recline position. Our chair uses 4" thick cushions and has a more ergonomic seat angle for better lumbar support and easier position to get up from.

We use the Capitonné technique which uses individual tabbed squares of leather cut from a single hide and sewn, welted and tufted by hand. Each line is a "pipe" not just stitching.

We use a total of 17 heavy saddle Italian leather straps ensuring durability and support. All straps are made to match specified upholstery color.

Knoll uses 34 stainless screws to secure straps to steel frame. We follow the same method using 34 stainless rivets to prevent the leather straps from loosening over time.

Finally, our cushions are premium quality, highly resilient urethane foam with Dacron polyester fiberfill to match that of Knoll.

A Picture Is Worth A Thousand Words, Right?

Yes. They can be if they represent the actual products you will receive. You've seen them on Ebay and other retailers selling Barcelona chairs for under \$600. Some are even selling the chair with ottoman set at this price. We are all for getting a good deal. However, buyer beware...many are using the bait and switch tactic to get you to purchase. The pictures you see are not the same products you will be receiving. When shopping around, ask to see if they offer more detail pictures of their product and check for any discrepancies between the product pictures.

For you to feel comfortable with your purchase, we offer you in depth details of our Mies Van der Rohe furniture by providing high quality pictures taken from our own studio. Click on each picture below:

Where Is It Made...The Most Important Question?

Although this is a popular question, it is not the most important question to ask. We believe how the product is made is actually more important in deciding what type of quality you will receive. Many retailers justify their high prices claiming 'Made in Italy'. Although this may serve the ego, it does little to guarantee a quality product.

Our Mies Pavilion chairs are imported from Asia using the most respectable modern classics manufacturer in the country. Although there are many cheap Asian knock offs flooding the market, we are NOT one of them. Customers have often compared our quality to that of DWR. In many cases our chairs are comparable if not better than many of those coming out of Italy.

We specialize in Modern Classics and require our furniture to be made with strict quality control using the latest in technology and highest grade materials. We have simply moved production from Italy to keep prices low and offer **better value for our customers**. Genuine Italian leather is used since this is still the highest grade leather available.

We Respect The Smart Consumer

We know you have many choices when choosing who to buy from. Even if you don't buy from us, we hope that you can use our information provided to make a well informed decision. After all, price alone shouldn't be the only deciding factor. Quality is MOST important so you can proudly display your furniture in your home or office. We are not the cheapest retailer. However, our commitment to excellence and detail will provide you a quality product not found with most other retailers.

Your Complete Satisfaction Is Our Top Priority

We guarantee you'll love our Mies Pavilion Chair & Ottoman. In fact, we are so confident on the quality of our products, we offer a 30 day no-hassle money-back guarantee. We won't even charge your credit card until your order ships and no restocking fees (for non-custom orders).

Compare this to other retailers who charge first and ships 6 to 8 weeks later. We can only offer this type of guarantee based on the positive feedback we've received from customers with our products. **Free shipping is included with no minimum purchase.**
